

MERINO

Jose Pablo Martin

Chief Winemaker, Merino

Jose began his impressive career at Merino with the 2006 harvest. He studied Agriculture and Enology at Universidad Mayor, as well as Viticulture at Pontificia Universidad Catolica de Chile, and feels his passion and knowledge of wine was instilled by his grandfather, who owned a successful pisco distillery. He is one of the most exciting young winemakers in Chile and has worked with some of the top Chilean and French producers including Chocalán, Saint Emilion, Chateau Trimoulet, and La Cave cooperative de Saint Emilion.

For him, good winemaking is respecting the grapes and the wines as much as possible; never expect them to respect you! His passion comes in the form of his creativity, which inspires him to make new wines.

In his spare time he enjoys spending time with his family, scuba diving, cooking, and well, drinking...
