## PAIS SALVAJE BLANCO 2018

Pais Salvaje blanco is a wine born from a second wild discovery within JBouchon's Pais 'jungle' vines. After their first harvest of Pais Salvaje in 2015, the 2016 harvest began and they realized that certain clusters of these wild vines were much lighter in color than others. They decided to harvest and vinify these lighter clusters separately and age the wine in an ancient tinaja (clay amphora) with native yeast with no filtration. Pais Salvaje blanco was born.

**WINERY BACKGROUND:** Bouchon Family Wines began in the late 19th century when young viticulturist Emile Bouchon left Bordeaux, France for Chile. Today, Julio Bouchon and his children carry on their 4th generation family winemaking tradition in the Maule Valley. With their in-depth soil research alongside terroir-specialist Pedro Parra, Bouchon is preserving the historic character of the Maule Valley with distinctive, terroir-driven wines.
