## TYPHOON

**ABOUT THE SAKE:** A table sake of remarkable quality with rustic banana bread and nut notes.

Sturdy enough to handle being warmed or mixed in cocktails.

**TASTING NOTES & FOOD PAIRING:** Aromas of banana bread and a hint of spice. Medium-dry with a round, mellow finish.

Pair with pork dumplings, seafood salad, or sesame roasted vegetables

**KIZAKURA:** Tozai is the authentically Japanese sake that bridges the gap between East and West and is an invitation for all to enjoy Japanese sake.

- Tozai's style is approachable for sake pros and novices alike, taking sake out of the "special occasion" category and making it an everyday drink.
- Each Tozai sake is a classic representation of its style and grade.
- Be transported to Japan just by looking at Tozai—the labels feature hand-painted koi fish, traditional Japanese kanji, and origami paper patterns.
