**Uncorked** | *Susana Balbo and Pedro Marchevsky*

## Argentine vintners make wine a family affair

“There are plenty of winemaking couples, but not that many in Argentina, and none as high profile as Susana Balbo and Pedro Marchevsky.

Balbo is Argentina's most famous female winemaker, and Marchevsky is arguably the country's most knowledgeable viticulturist.

They produce three labels at their Dominio del Plata winery in the region of Mendoza. The **Susana Balbo** reserve wines are the top of the line, while the **Crios** ("offspring") de Susana Balbo are everyday wines. **BenMarco** highlights Mendoza's potential for red wines

They are frequent Bay Area visitors thanks to their importers, Ed Lehrman and Nick Ramkowsky, who run Vine Connections in Sausalito.”
