### **WITH A DEEP, DARK COLOR**

like “graphite,” this Malbec is concentrated with a complex structure and medium body.

Aromas of rose petal incense and spice with a base note of smoky earth and espresso. Juicy on the palate with flavors of red currant and plum with hints of black pepper, lush tannins, ripe acidity, and good length.

### **WINEMAKER JIMENA LOPEZ**

brings a wonderful passion and an exquisite attention to detail to her first personal project, Graffito. She has made wine for over 18 years in 10 countries, but when she found the perfect 100 year-old Malbec vineyard, she made her dream of making her own wine a reality.

**“This is a balanced, elegant, delicious, and fresh Malbec at a great price.”**

- Luis Gutierrez, Robert Parker’s The Wine Advocate
