

## Tatiana Sielecki

*Family Owner*

Tatiana feels a close, personal tie to Mendel Winery, as it is a family project created to honor her grandfather for whom the winery is named. Tatiana joined her aunt Anabelle Sielecki, the owner of Mendel, as the Commercial Manager in 2014. She handles sales and marketing both domestically and abroad.

Tatiana's career started in finance where she worked for an investment fund in London after getting her Masters in Political Science at the London School of Economics. She also helped organize the 2012 Olympic and Paralympic Games in London. Prior to that, Tatiana studied International Relations at the University of Miami. She would often accompany Anabelle at tasting events around the world—events that she loved and eventually led her back to Argentina to work for the family business.

She is grateful to work alongside legendary winemaker Roberto de la Mota, and she appreciates the hard work and teamwork it takes to tell her family story through wine that expresses the rich terroir and the history of Mendoza.

In her spare time, Tatiana loves to ski and dance salsa and bachata. She has been a classic race car driver in Argentina and Italy since 2002.
