*COMMERCIAL DIRECTOR*

Martin graduated from law school in Buenos Aires in 2000 and finished his postgraduate studies in Argentina and at UC San Diego, California. After practicing law for almost 10 years in Argentina and the British Virgin Islands, Martin left everything to follow his dreams in the wine world.

Martin started working at Casarena in 2012 and has since spent the past few years traveling the world and sharing the story of Lujan de Cuyo and Casarena wines. He currently manages sales and marketing for Casarena and Areyna both domestically and abroad. Martin is proud to be a part of the generation that is making Argentine wine recognized worldwide as a top quality country producer.

Martin believes that wines are a cultural communicator, and each time he has the opportunity to talk about Casarena wines he is proud to share the craziness and richness of the Argentine culture.

Martin is happily married and has two daughters – Martina and Catlina. In his free time he loves to share wine, gin and tonics and single malts with friends and family.
