

LUCA

Luca makes history with groundbreaking work in cultivating small-grower relations, sourcing premier old-vine Malbec, and mastering non-Malbec varietals.

SUSTAINABILITY

- Luca wines are 100% Certified Sustainable by the Bodegas de Argentina (BdA) sustainability code. Certified since 2018.
- The BdA code, certified by specialized agencies that audit each producer, certifies wineries with sustainable practices in viticulture, soil management, energy efficiency, water conservation, solid waste management, air quality, human resources and community.

“Science to preserve Nature & Culture”

PRESERVING Old Vines / Pre-Phyloxeric Plant Material

SUPPORTING small family growers

PIONEERING in new growing areas

Luis Reginato (Winemaker) & Laura Catena (Owner)

ABOUT LUCA

- Luca works closely with small growers to produce high-quality grapes from some of Argentina’s best old-vine, low-yield, high elevation vineyards. They are the ultimate expression of rigorous vineyard management, viticultural experimentation, strict irrigation controls & skilled winemaking.
- Luca was born out of Laura Catena’s vision of creating artisan quality Argentine wines that are true to their individual terroirs.

LAURA CATENA *Owner Luca*

Born in Mendoza, Argentina to a pioneering winemaking family, Laura is relentlessly determined in all that she accomplishes. She has helped her father, Nicolas Catena, build the country’s prominence and influence in the New World wine scene.

In addition to Luca and La Posta wines, Laura runs Catena Winery and the Catena Wine Institute while living in San Francisco where she is a mother of three, an ER doctor, and an author.
