WINE ENTHUSIAST
2024 VINTAGE

LAELY is the personal expression of founder Laely Heron — a reflection of nearly 30 years of intuition, restraint, and unwavering standards, building on the legacy of Heron wines while standing confidently on its own.

As one of the industry's first female wine pioneers, Laely helped redefine what California wines could be — transparent, restrained, and site-driven rather than formulaic. LAELY continues that philosophy at the highest level.
