HERON Pinot Noir

Pack Size: 12/750ml
UPC: 721170011008

OVERVIEW

Heron relentlessly focuses on the very best California appellations to create balanced, fresh classics that redefine approachability embodying the determination of the iconic bird it represents and of Laely Heron, founder of one of the industry's first female-owned and-produced brands.

SITE

MONTEREY

A very wet winter replenished groundwater and supported healthy canopies. A cool, wet spring helped fruit set and reduced stress. Summer was mostly moderate, and some late-season heat events accelerated ripening and compressed harvest timing.

RUSSIAN RIVER

A healthy winter rainfall replenished soils and reservoirs. A relatively mild spring with good fruit set led to steady summer conditions without prolonged extreme heat. There was enough warmth late in the season for full phenolic ripeness and continued cool evenings and fog influence to preserve acidity.

SOILS

MONTEREY

Sandy loam soils that drain quickly and naturally balance yields.

RUSSIAN RIVER

Goldridge fine sandy loam is the signature soil. It is an ancient marine sandstone-derived soil that is well drained, low to moderate in fertility and ideal for stressing vines gently and producing concentrated fruit.

100% Pinot Noir

**50% Monterey,
50% Russian River, California**

14.5% Alc. by Vol.

TASTING NOTES

Summer strawberry and cherry notes welcome you into this Pinot. It lingers with a tart acidity and a fine tannin finish that speaks to its coastal origins.

PAIRING SUGGESTIONS

This elegant & silky Pinot makes a versatile pairing with a wide range of foods. Try paired with poultry dishes such as chicken or turkey, mushroom based dishes or lighter meats like pork tenderloin.
