

BODINI

MALBEC 2023

Approachable and energetic estate Malbec at an unbeatable price. Notes of Plum, blackberries and spice are balanced in this fresher, vibrant style of malbec.

WINERY BACKGROUND: Bodini is crafted by winemaker Jimena Lopez and showcases fruit grown by a small estate winery in Mendoza, Argentina. Supporting Bodini encourages the tradition of independent, family-run vineyards and helping them express their unique wines. Bodini showcases grapes with the fullest expression of fruit.

A high-elevation desert, Mendoza has long sunny days, cold nights, low humidity, and natural irrigation from glacial snowmelt from the Andes Mountains. Bodini wines are fresh, fruit-forward, and a great introduction to Malbec.

VINEYARD & WINEMAKING DETAILS: The vineyards are located in Luján de Cuyo and Maipu with soil that is made up of clay and loam soil. The grapes are hand harvested. The wine goes through malolactic fermentation and is unoaked to retain the pure flavors of the grapes.

TASTING NOTES & FOOD PAIRING SUGGESTIONS: Fruit and spice on the palate balanced by notes of fresh fruits like plums and blackberries. It is ripe in the mouth with soft, round tannins and a long finish. Pairs with many foods like hamburgers, steak, ribs, pizza, and grilled or roasted chicken.
