## ROSÉ OF MALBEC 2018

A fresh & crisp wine showcasing the Malbec grape's unique expression as a Rosé wine.

**WINERY BACKGROUND:** Bodini is crafted by winemaker Jimena Lopez and showcases fruit grown by a small estate winery in Mendoza, Argentina. Supporting Bodini encourages the tradition of independent, family-run vineyards and helping them express their unique wines. Bodini showcases grapes with the fullest expression of fruit.

A high-elevation desert, Mendoza has long sunny days, cold nights, low humidity, and natural irrigation from glacial snowmelt from the Andes Mountains. Bodini wines are fresh, fruit-forward, and a great introduction to the possibility of Malbec to deliver.

**VINEYARD & WINEMAKING DETAILS:** The vineyards are located in Luján de Cuyo, in the coldest part of Agrelo and Perdriel. The deep soil is a sandy-clay texture with the presence of large boulders originally from the Mendoza River thousands of years ago.

**TASTING NOTES & FOOD PAIRING SUGGESTIONS:** A bright and clean Rosé with aromas of fresh red fruits like cherry and strawberry with subtle notes of spice and pepper. The palate is balanced and medium-bodied. Try with brunch foods such as mushroom quiche or strawberry topped waffles.
